Making Musical Memories

ENCORE! 2024

"The arts are an essential element of education, just like reading, writing, and arithmetic...music, dance, painting, and theater are all keys that unlock profound human understanding and accomplishment."

**ST. ALBERT ROTARY
MUSIC FESTIVAL**

VISION STATEMENT

*Inspiring passion
for the performing arts*

MISSION STATEMENT

*To promote participation in,
and appreciation of, the performing arts
through the St. Albert Rotary Music
Festival and other related opportunities*

We are proud to be affiliated with the Alberta Music Festival Association that provides leadership for local festivals in Alberta and the Northwest Territories. We respectfully acknowledge that we create and perform music on Treaty 6 territory, the traditional homeland of First Nations and Métis peoples.

Message from the Board of Directors

Welcome to ENCORE! We acknowledge the tremendous support received from Alberta Culture and Tourism as well as the many sponsors, donors, community volunteers, and Rotarians who helped make the 47th St. Albert Rotary Music Festival a success.

Hosting a festival that allows participants to express their creativity in a friendly, open environment gives us great pride. Giving participants the opportunity to grow through performing and receiving feedback from professional adjudicators focuses on building their skills and confidence, creating positive memories and new ways to explore their creative potential.

There is so much talent for all of us to enjoy at the 2024 Music Festival and, in particular, we acknowledge the teachers and parents who have spent so much time and energy encouraging the students to discover their talent and perform in front of others.

Tonight, we celebrate our Festival participants and feature talented performers who have distinguished themselves. Thank you for joining us to make your own musical memories!

Message from the Member of Parliament

Congratulations on the 47th Anniversary of the St. Albert Rotary Music Festival. The St. Albert Rotary Music Festival Encore! allows young performers from our community to showcase their talents.

This Festival provides a unique opportunity for youth to further their skills in performing and leadership.

The continued success of the Festival would not be possible without the support of the St. Albert Rotary Club and the many volunteers who dedicate hundreds of hours of their time each year.

I wish the performers and participants in this year's Festival the very best.

Sincerely,

Michael Cooper, M.P.
St. Albert – Edmonton

With hundreds of musicians performing in five venues across St. Albert, we recognize and appreciate the involvement of the community supporters, volunteers, adjudicators, parents, family and friends.

Lilianna Barrett

Lilianna started playing violin 5 years ago when she was 7. She enjoys every time she gets to play - from Church Worship to Rotary AGM Breakfasts to rocking out in the living room with her brother playing drums. This summer you'll find her playing at Haying in the 30's - a Cancer Support Fundraiser in Mallaig, Alberta.

Amaya Cowley

Amaya started playing piano with Pat Coey when she was about 7 years old. She enjoys playing for family and friends, and singing along. Her favorite color is yellow, favorite animal is an owl, and she's most excited for summer!

Sofiya Chvojka

Sofiya is a seventeen-year-old singer, dancer and performer. She is classically trained and also enjoys singing many other styles of music. Sofiya has performed at venues such as the Winspear Centre and the Northern Jubilee Auditorium.

In addition to being a yearly participant in the St. Albert Rotary Music Festival she has performed in several musicals including Newsies (Katherine Plumber) and Charlotte's Web (Wilbur). Sofiya has shared the stage as an Emerging Artist with the St. Albert Chamber Music Society and as a guest performer with The Melisizwe Brothers. She also plays the trumpet in her High School Band and will complete her Grade 8 RCM Piano this April.

Sofiya is an active member of her community and loves to 'give back' through music and volunteering for various charity events. As a member of the Alberta Youth Theatre Collective, she has had her reviews published in the Edmonton Journal. She is also President of Student Council at Morinville Community High School.

Sofiya loves the outdoors, playing soccer and spending time with her family, friends, and dog Rex!

Sofiya is thrilled to have been accepted to the College Conservatory of Music at the University of Cincinnati where she will pursue a Bachelor of Music in Vocal Performance this Fall.

Em Cresswell

Em Cresswell has been training in Musical Theatre since age three. They are a passionate and devoted performer who could not fathom life without Musical Theatre. Em has participated in seventeen shows since 2016, recently portraying the iconic roles of Willy Wonka in Paul Kane's production of Willy Wonka, The Cat in The Hat in St. Albert Children's Theatre's production of Seussical, and Orin Scrivello D.D.S. (Aka the dentist) in Paul Kane's production of Little Shop of Horrors. Em is currently in rehearsals for SACT's production of Polkadots in the role of Ms Square, which will run during this year's International Children's Festival of the Arts.

Em loves performing Classical and Musical Theatre pieces at the St. Albert Rotary Music Festival. This will be their eighth year performing at the event. Em has been the recipient of the Elsie and Bill Filipchuk Musical Theatre Bursary the past three years. Em has recently been accepted into MacEwan University to pursue a Bachelor of Fine Arts with a Major in Musical Theatre Performance. They hope to one day perform Musical Theatre professionally.

In their free time, Em enjoys creative writing, drawing, and spending time with their amazing and supportive family.

Daniel Ionitescu

Daniel, a 14-year-old Grade 9 student at Elmer S Gish School, has been immersed in the world of music since he first laid hands on a piano at the age of 5. Since then, his musical journey has been a colorful exploration, encompassing a myriad of instruments ranging from the piano, ukulele, guitar and drums to more unconventional choices like the recorder, harmonica, kazoo, and even the otamatone. Despite his diverse interests, the guitar has always held a special place in Daniel's heart. It was during his time in grade 7, attending a Pop & Rock class, that Daniel forged deep connections with three fellow students, leading to the creation of their very own rock band.

Clara Knoefel

Clara's passion for singing began at age 6 when she joined Cantillon. At age 9 she commenced singing lessons with Lilia Krieger at Visionary College in St. Albert. She enjoys all types of styles, including Classical, Contemporary Pop and Musical Theatre. She has won numerous awards at the St. Albert Rotary Music Festival, has performed at the provincial level, and was recommended for nationals. She sang the principal role in Opera Nuova's "Dear Edwina" in the fall of 2023.

In addition to singing, Clara has been playing the piano since age 5 and is currently completing her Grade 9 Royal Conservatory level. She has been a competitive dancer since age 3 and is a straight-A student in Grade 9 at ESSMY in St. Albert.

Lucas Logan

Lucas is a 12-year-old student at George H. Primeau School in Morinville. He expresses his creativity through playing the piano, the trombone in the school band and singing. He is excited to share his musical talents with you tonight.

McPeek Siblings

Brendan has been playing piano for eight years. He enjoys playing a broad range of genres but has a special touch for music written in the Romantic era. He also likes to dabble in film scores, and it is not unusual to hear something like the Pirates of the Caribbean theme song emanating from the living room.

Miriam began playing piano at the same time as Brendan. Her favourite composer is Ludwig van Beethoven for his temperament. Besides classical pieces she also likes to play jazz and some catchy contemporary music — a little “Piano Man” on a Saturday night.

Kirsten has been playing piano for six years. Her favourite composer is Franz Joseph Haydn. She enjoys playing classical music and improvising to Irish folk songs — a real Galway girl.

Over the years they have been playing various duets together. This is their second trio.

Ava Mihalcheon

Ava has always had a love for music. At any point of the day she is humming, whistling, or playing an instrument. Her favorite instrument to play is the violin, which she has been playing for 8 years, and hopes to one day to get her bachelor’s degree in music.

Cylie Nouanethong

Cylie just turned 14 on April 21st. Cylie attends Vincent J Maloney Junior High. Cylie enjoys playing piano, violin, volleyball and badminton.

Sturgeon Choir

With a growing population, this school has a diverse music program where ensembles like Concert Band, Concert Choir, Drumline and Guitar classes are running all year long. They are excited to add a new Digital Music composition program to their course selection in the fall. Under the direction of Mr. Swenson, students are encouraged to challenge themselves and develop their performing skills in a variety of settings. Sturgeon is thrilled to be recognized for their efforts in this years St. Albert Rotary Music Festival.

Abigail Swenson

Abigail has been playing piano for 5 years and enjoys a wide range of musical styles. Within the last two years, she was encouraged by her piano teacher to start writing down her compositions and has now finished 5 pieces and is working on her 6th. She was an award winner in the provincial APTA Creative Music Writing Competition last summer and plans to keep writing. Her composition tonight is called “Stained Glass”, inspired by beautiful coloured windows. She is very happy to play tonight and hopes you enjoy her latest work.

Rebekah Wicks

Rebekah Uy Wicks enjoys playing piano and improvising music. She also loves spending time with friends. Rebekah takes figure skating classes, and her favourite sport is speed skating. Tonight, Rebekah is playing a one hand piano piece composed by her father.

Eva Wu

Eva is a Grade Six student at Sir Alexander Mackenzie School. She has been playing piano since she was in Grade One. Eva has been playing in the Rotary Music Festival for four years, and so far, she has received four awards.

Alexander and Nathaniel Wyton

Nathaniel and Alexander, although both having performed many times, this is the first year they have performed a string duet. Besides playing music together, they love snowboarding in the local hills and different mountains.

Jayden Zhang

Jayden is 10. He has been playing piano for 4 years. He received two gold awards in St. Albert music festival this year. In the past, he achieved gold metals at IPPA Conero International Piano Competition with Italy invitation. He was also awarded 1st place in the Edmonton music festivals. He just enjoys the beautiful melodies!
